Dear Parents/Carers

## **Parent's Evening telephone appointments – Week commencing 1<sup>st</sup> March 2021**

Due to the current lockdown measures in place for Covid-19, and following the success of our telephone appointments last November, our Parents' Evening in March will be held via telephone rather than face to face appointments in school. This is an opportunity to discuss your child's progress and targets, their engagement with home learning, what needs to be achieved this term and how you can help.

Telephone calls will be made by your child's class teacher from Monday 1<sup>st</sup> March to Friday 5<sup>th</sup> March 2021. Please make sure that the school office has your up to date contact number.

Please note that phone calls may show as a withheld or private number rather than the school number as teachers may be calling from different locations.

If you require a translator for your telephone appointment, please call the school office on 01274 648490. Please be aware that translator appointments will be dependent on their availability.

Thank you for your continued support and understanding during this difficult time.

Yours faithfully

Lisa Woollard  
Associate Principal
